

OMT Without an OMT Table

October 24, 2010 in San Francisco, CA

Course Description: Many physicians work in an outpatient setting with high tables or carts on which to examine and treat the patient. This presents a challenge: how can the patient be effectively treated with OMT? This course is designed to offer solutions for treating patients in an outpatient setting without an OMT table. The course is designed for primary care, urgent care and emergency medicine physicians who want to treat their patients with OMT but have been frustrated by the office equipment. Participants will treat on chairs and inadequate height tables. OMT utilizing high velocity/low amplitude facilitated positional release, Still, muscle energy, and myofascial release techniques will be included. Common patient complaints will be addressed.

Learning Objectives:

1. To perform quick and efficient OMT for common outpatient complaints.
2. To demonstrate ability to treat utilizing in appropriate height tables and carts.
3. To demonstrate ability to treat utilizing chairs.

Prerequisites: The participant should have a basic understanding of functional anatomy.

CME: The program anticipates being approved for 8 hours of AOA Category 1-A CME credit pending approval by the AOA CCME.

Program Time Table:

Sunday, October 24, 2010.....8:00 am - 5:00 pm
(lunch on your own)

Course Location:

Marriott San Francisco
55 4th Street
San Francisco, CA

Program Chair: Ann L. Habenicht, DO, FAAO

Dr. Habenicht is a 1982 graduate of Midwestern University Chicago College of Osteopathic Medicine. She is both certified in osteopathic manipulative medicine and osteopathic family practice. She is both a Fellow of the American Academy of Osteopathy and the American College of Osteopathic Family Practitioners. Dr. Habenicht currently serves the AAO as a member of the Board of Governors, a member of the Undergraduate Academies, Bylaws and Education committees. Dr. Habenicht is a past president of the AAO and served as a chair of the Education Committee for many years. She is presently a professor of osteopathic manipulative medicine at CCOM/Midwestern University and is in private practice in Oak Forest and Urgent Care in Orland Park, IL. She serves as the UAAO advisor for CCOM. Dr. Habenicht has been the program chairperson for the Fall OMT Update for the past 16 years.

Please Note: The AOA Convention will run from October 24-28, 2010 at the Moscone Center in San Francisco, CA.
